Beginnings in Rugby

Bruno Vallesi began his rugby journey at Club Tala Rugby in Córdoba, Argentina, at the age of seven. He developed through all youth categories within the club, building his technical foundation, physical structure, and competitive mindset. After completing his formation at Club Tala at age sixteen, he moved to Italy in 2021 to continue his rugby development at Rugby Viadana 1970.

Rugby Viadana 1970

21/09/2021: Under the guidance of his **Manager Ivan Merlo (Talent Sport Management)**, Bruno Vallesi arrived in Italy to join Rugby Viadana 1970, marking the beginning of his European rugby pathway. He completed his U17 (M17) development within Rugby Viadana 1970, integrating into the club's structured high-performance environment.

This stage laid the foundation for his progression into the Italian national development system.

Bruno Vallesi

High-Performance Academy

Zebre Parma, Italian franchise. June 2023 – July 2025.

The team competes in the United Rugby Championship (URC). Zebre operates under the Italian high-performance system and represents one of the country's two professional franchises. Being involved in Zebre's structure means operating within a fully professional environment, including advanced strength and conditioning programs, performance analysis, medical support, and exposure to international-level standards. Bruno was integrated into the senior professional squad environment as part of his progression pathway.

FIR High Performance Pathway – Centro di Formazione Permanente (Milano): 09/2022 – 06/2023 season.

Headquarters/structure: Istituto Leone XIII – Via Leone XIII, 12 – 20145 Milano.
